February 1978

As you know, we have been able to talk Coach J. Clarke Wray into coming to Morgantown to help provide a firm base to a community rowing program. He has agreed to be here from mid-February until late May if we agree to cover the cost of "room and board". He will also host about 20 college students at Winter Park, Florida for a week of intensive crew training during their spring break at no cost to them.

The best budget we have come up with is a figure of \$2400. It is my hope that we can obtain 12 pledges of \$200 from those who have expressed a sincere interest to see this program a reality in Morgantown. It is understood that those who thus pledge will automatically be charter members of the Monongahela Rowing Club Inc.

Please sign below to indicate your pledge. If you remit, make checks payable to the Monongahela Rowing Club Inc. and remember that your gift is tax-deductible under IRS 501(c)(3).
